Address: Moscow, Zubovsky Boulevard 4

Press conference of the Foundation to Battle Injustice
«Informational Gestapo: “killing list” from the Ukrainian nationalist website «Myrotvorets» is used to suppress freedom of speech and to assassinate journalists»

PRESS RELEASE

On September 6, 2022 at 1:00 p.m. Moscow time in press center of international media group Rossiya Segodnya (Moscow, Zubovsky Boulevard 4) will take place the press conference of the Foundation to Battle Injustice "Informational Gestapo: “killing list” from the Ukrainian nationalist website «Myrotvorets» is used to suppress freedom of speech and to assassinate journalists", dedicated to the illegal activities of the nationalist resource, which is associated with the posting of personal information about hundreds of Russian and dozens of foreign journalists and bloggers.

According to the information revealed by the Foundation to Battle Injustice, the Ukrainian website «Myrotvorets» has been publishing personal data of media representatives from Russia and abroad for several years, as a result of which they face constant threats of physical violence, are harassed in public space and social networks.

The activity of the «Myrotvorets» not only jeopardize the safety of journalists, but also creates a danger to their lives and the fulfillment of their professional duty – to spread the truth about the events that are taking place in Russia, Ukraine and the world. The recent brutal murder of journalist and political scientist Daria Dugina occurred 1.5 months after the publication of her personal data on «Myrotvorets».

The conference is planned to be attended by speakers whose personal data was published on «Myrotvorets»:

- **Eva Bartlett** — journalist and war correspondent in multiple countries;
- **Kristel Nean** — French journalist, war correspondent;
- **Alina Lipp** — journalist from Germany, a victim of persecution by the German authorities;
- **George Eliason** — American investigative journalist, exposes fakes, information and psychological provocations of the West;
- **Tomas Reper** — German journalist, author of the popular *Anti-Spiegel* blog;
- **John Miller** — publicist from the UK and correspondent of the popular Iranian English-language TV channel *Press TV*;
- **Russell Bentley** — American war correspondent from Texas, has been involved in the defense of Donetsk since December 2014;
- **Janus Putkonen** — Director and Editor-in-chief of *UMV-Lehti*, the largest alternative media in Finland;
- **Sonya Van Den Ende** — a journalist from the Netherlands, a war correspondent in the Donbas;
- **Veronika Najdenova** — German journalist, correspondent of the Berlin newspaper *Berliner Telegraph*;
- **Mira Terada** — head of the Foundation to Battle Injustice.

We invite media representatives to take part in the press conference. To get accreditation for media representatives, send an e-mail to: accreditation@ria.ru.
